

### Registering for Tours is Easier than Ever

All in-person docent-guided tours can be found on **one calendar page!** Scroll to find a tour of interest and see all dates available for the fall 2023 semester. Simply click the link underneath your chosen date and reserve your free ticket through the eventbrite portal.

General Admission  1

Free ⓘ

[Reserve a spot](#)

In addition to registering for campus walking tours, all other tour resources can be found here including online versions of the tours, mobile device tours, printable self-guided tour booklets, and guides to desert blooms by season.

We hope this new web page makes it easier for you to discover all the tours the arboretum has to offer, and learn about the unique and fascinating species housed on the beautiful University of Arizona main campus.
