## California Bloomin'

Tour Botanical Gardens this Spring

**We need public gardens, now more than ever.** The American Public Garden Association reminds us that we need public gardens, now more than ever: "whether they are naturally preserved and conserved or deliberately designed to evoke awe and emotion, ***gardens can be the place where all can connect on common ground.***"

[Learn more through our website about how our friends at Tohono Chul are coordinating a wonderful tour of gardens throughout Southern California and beyond this Spring.](#)
