

COLLEGE OF AGRICULTURE & LIFE SCIENCES CAMPUS ARBORETUM

Pave the Way for Preservation of the Pond!

Bricks are available for naming at the newly renovated Presidents' Pond (aka "Turtle Pond"). Your gift literally paves the way to fund preservation of this and other historic green spaces that serve campus, community, and visitors. Be part of this legacy with a gift of \$250 per brick. Your gift will be recognized with a custom inscribed brick paver placed at the top of the entry path to the pond. **To get started, follow these 3 simple steps:**

1. Send payment:

Pay securely by credit card through the UAZ Foundation link:

https://give.uafoundation.org/campusarboretum_cals

OR write a check for "UAF/Campus Arboretum" and mail to: The Campus Arboretum PO Box 36000 Tucson AZ 85721-0036

2. Create a custom inscription:

The inscription can be 1-3 lines long with no more than 15 characters per line. Send the proposed inscription by e-mail to infoarboretum@cals.arizona.edu with POND BRICK in the subject line. Alternatively, mail the proposed inscription to us at the physical address provided above. Please also indicate in your letter an email address where we can communicate confirmation of your order.

3. Let us do the rest:

We will send an email to you confirming your order. We will continue to collect orders each semester (Spring and Fall) and send batches of orders in for engraving according to the schedule below. When your brick is installed, we will send you final notification to the email address you provide.

Orders Placed	Engraving Completed	Installation Completed	Completion Notification Sent
Spring (Jan-May)	June	July	August
Fall (Jun-Dec)	January	February	March
