

COLLEGE OF AGRICULTURE & LIFE SCIENCES
CAMPUS ARBORETUM

YouTube Video Highlight **Conservatory Plant Tour: Spanish Moss**

This fascinating plant is a member of **The Mark Dimmitt Desert Plant Conservatory** and **this video** takes you into the greenhouse to see it for yourself!

Discover how this plant grows simply suspended in the air, where it's naturally found, and the peaceful relationship it has with other plants in the **Campus Arboretum's Conservatory Plants Tour: Tillandsia**
