

## **Register for the Magnificent Tree Workshop**

Arizona's Magnificent Tree Program recognizes those trees throughout our state that stand apart from the rest! The program helps connect us to trees, increases awareness of the field of forestry and urban forestry and encourages people to pay attention to trees as critical ecosystem species. Twice a year, the State Forestry's Urban and Community Forest Program hosts a Magnificent Tree Measuring Workshop to invite tree lovers to learn how to measure trees so that they can nominate the magnificent trees they love in their communities! This Spring the workshop will be held on the UA Campus.

Join us on

**Saturday, May 10th from 8am to 10:30am**

**at the ENR2 Building on the University of Arizona campus**

Learn about what it means when a tree is designated a Champion, Heritage, or Witness Tree. You will gain hand-on practice using professional forestry tools to measure tree height, canopy, and trunk circumference. This workshop is open to the public and

requires pre-registration as space is limited.

For more information, contact Megan Lasley, Forestry Outreach Coordinator  
Arizona Department of Forestry and Fire Management | [dffm.az.gov](http://dffm.az.gov)  
[mlasley@dffm.az.gov](mailto:mlasley@dffm.az.gov) or 602.206.9830

**You can register here. <https://shorturl.at/w3bvz>**

## Did you know?

17 of the 24 Magnificent and Champion trees recognized by the Arizona Department of Forestry in 2024 were on the UA Campus as part of the Campus Arboretum collection!
