Images of plants we will be working
with along with the common and
scientific names

Scientific name: *Astrophytum asterias*

Common name: Sand Dollar Cactus

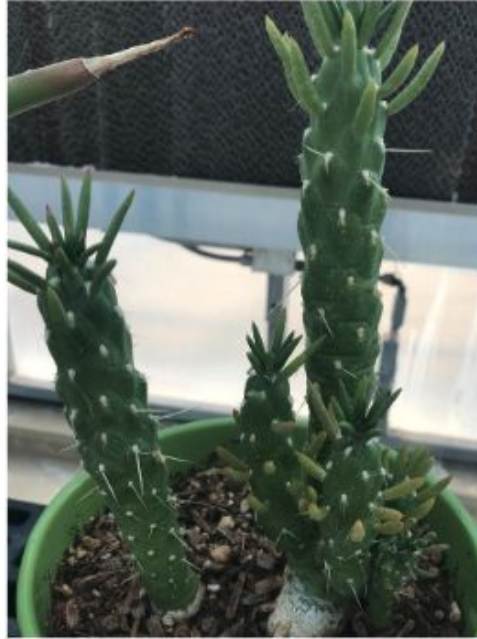

Scientific name : *Astrophytum myriostigma*

Common name: Bishop's cap

Scientific name: *Austrocyllindropuntia subulata*

Common name: Eve's pin

Scientific name: *Cereus repandus*

Common name: Peruvian apple cactus

Scientific name: *Dioon edule*

Common name: Palma de la virgen

Common name: Dyckia (Hybrid)

Scientific name: *Euphorbia antisiphilitica*

Common name: Candelilla, wax plant

Scientific name: *Euphorbia resinifera*

Common name: Moroccan mound

Scientific name: *Euphorbia tirucalli*

Common name: Firesticks

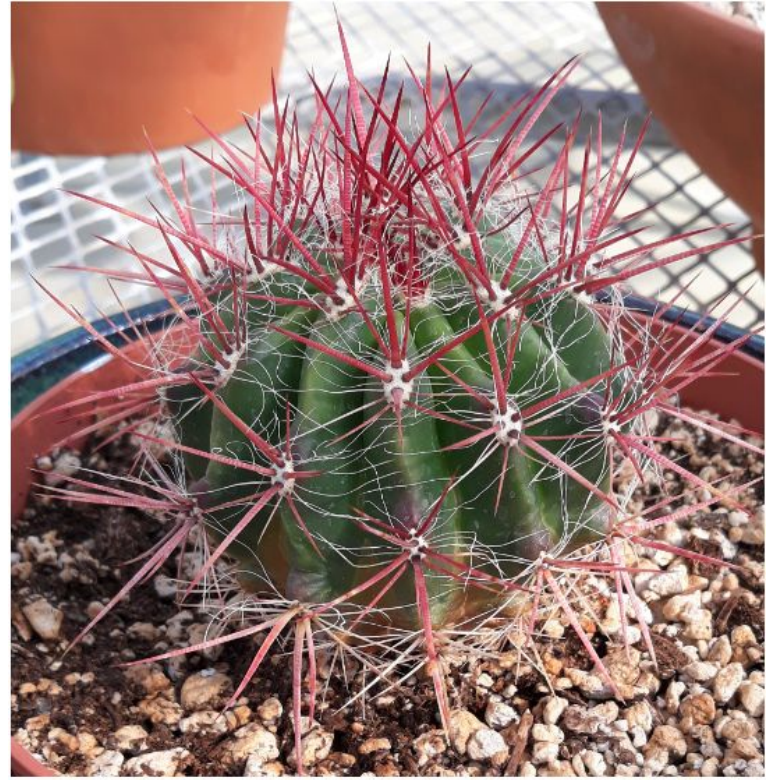

Scientific name: *Ferocactus glaucescens*

Common name: blue barrel cactus

Scientific name: *Ferocactus pilosus*

Common name: Mexican fire barrel

Scientific name: *Ferocactus wislizeni*

Common name: fishhook barrel

Scientific name: *Lophocereus schotti*

Common name: Totem pole cactus

Scientific name: *Mammillaria geminispina*

Common name: twin spined cactus

Scientific name: *Mammillaria parkinsonii*

Common name: Owl eye pincushion

Scientific name : *Mammillaria plumosa*

Common name : Feather cactus

Scientific name: *Mammillaria sonorensis*

Common name : Sonoran pincushion

Scientific name : *Manfreda maculosa*

Common name : Silver leopard

Scientific name : *Opuntia basilaris*

Common name : beavertail cactus

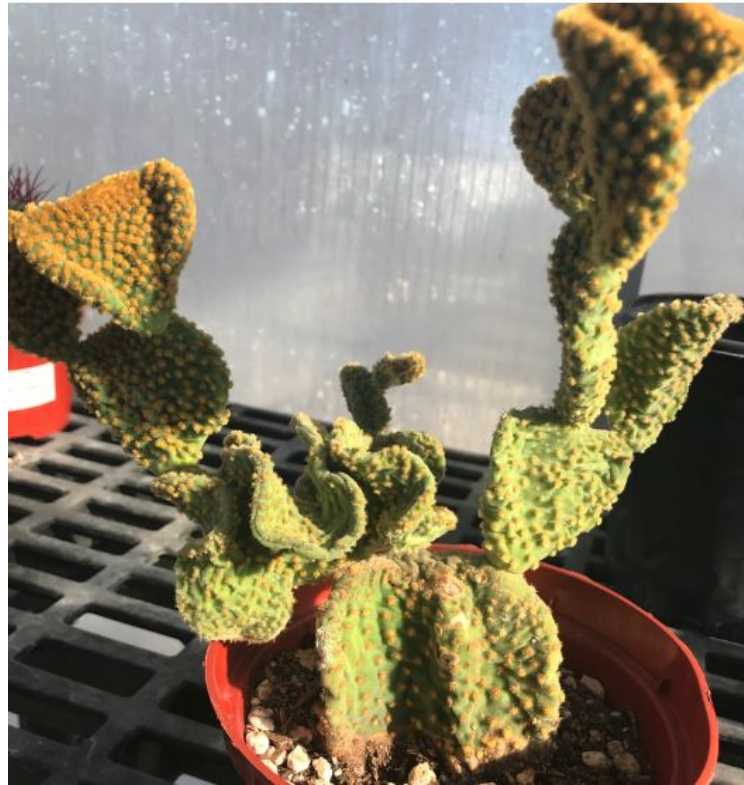

Scientific name: *Opuntia erinacea ursine*

Common name : snow prickly pear

Scientific name: *Opuntia microdasys*

Common name: crested bunny ears

Scientific name: *Opuntia articulata*
Common name : pine cone cactus

Scientific name: *Thelocactus rinconensis*

Common name: bird's-nest cactus

Scientific name : *Trichocereus huascha*

Common name : Echinopsis huascha

Scientific name : *Drimia maritima*

Common name : Red squill, Sea onion

Team / Name	Supplies	Tasks
