Subject: UA Jam

Thank you for the Bear Down Jam and for your important work in creating a sustainable food system in Southern Arizona. Developing a delicious jam from campus harvests takes a great deal of ingenuity, hard work, and collaboration, and I want to commend you for another successful—and very delicious—product!

Many of you may be familiar with the UA's 100% student engagement initiative, which encourages all students to apply their knowledge and skills to environments outside the classroom. The collaborative effort you have created with the Iskashitaa Refugee Network is a wonderful example of what can happen when Wildcats apply their learning in unique and creative ways.

Thank you again for the Bear Down Jam. I wish LEAF and your partners the best as you prepare for the second-annual olive harvest this Fall!
